Dear Parents,

In today's digital age, sharing school activities and student achievements through various platforms has become an important way to celebrate learning and keep our school community connected.

With this in mind, we would like to inform you that the school takes photographs and videos of students during school events, classroom activities, and outings to capture special moments in their learning. These may be used in the school magazine, newsletters, website, social media pages, and official platforms like CBSE portals strictly for educational and school-related purposes.

To proceed responsibly, we need your consent to use photos and videos of your child. A hard copy of the consent form has been sent home with your ward. If you agree, please complete, sign, and return it to the class teacher on the very next day.

We assure you that all photos and videos will be used carefully and only for official school purposes.

Thank you for your continued support and cooperation.

Regards,

Principal
