Dear Parents,

Greetings from New Horizon Public School, Panvel!

It's indeed a blessing and an honour to introduce myself as the Principal of NHPS, Panvel. I personally feel bliss and fortunate to be an integral part of this organization, which I trust will make a difference.

Our motto- **"Education to Excel"**, believes in integrating the head and the heart to enable students to become seekers of knowledge from grass-root level to reach to the apex of wisdom. We are affiliated to CBSE curriculum and cater admissions from Pre-primary to Senior Secondary Section.

As per **National Curriculum Framework (NCF)** our core teaching methodologies focus on colorful blend of traditional classroom learning and modern teaching methodologies combined with extensive sports facilities, a wide range of co-curricular activities which ensures holistic approach to our student's overall growth and progress.

I am deeply indebted for the continuous support from our parents, teachers and the management.
