

Proud Moment!

Aadiraj Digvijay Mestri, a 6-year-old student of Grade 2, Division A, demonstrated his excellence in Abacus and Mental Math at the prestigious AIAMA World Championship for Abacus and Mental Math Olympiad. Organized by the Abacusking International Abacus and Mental Arithmetic Alliance (AIAMA), the competition was held in Kuala Lumpur, Malaysia, on 20th July 2025.

Aadiraj secured 1st Place in Category B, proudly showcasing his remarkable speed and accuracy in mental arithmetic calculations on an international platform. He competed against participants from 14 countries, including Taiwan, Malaysia, India, Indonesia, Japan, South Korea, Sri Lanka, China, South Africa, Panama, Lebanon, Cambodia, Iraq, and Russia.

At just six years old, Aadiraj's success highlights the dedication, practice, and determination that young minds bring to the global stage, making his achievement truly inspiring.

Heartiest congratulations to Aadiraj for shining on the global stage and bringing pride to India, his family and school!"
