**Dear Parents,**

Greetings from the NHSS fraternity!

As members of the NHSS family, we recognize the crucial role that both parents and teachers play in a child's development. A strong partnership between parents, teachers, and the school significantly enhances a child's learning experience, encouraging regular attendance, positive behaviour, and the realization of their full potential.

The foundation of a productive parent-teacher relationship is built on **open communication, mutual respect, and a shared goal**—ensuring the best for every child. We look forward to working closely with each of you to make this academic journey a fulfilling one!
