Message from the FOUNDERS

Dr. Subir Kumar Banerjee
Founder Trustee

Mrs. Suvra Banerjee
Founder Trustee

The fate of a nation hinges on the caliber of education offered within its educational institutions. Education serves as the cornerstone of any progressive society and stands as one of the fundamental pillars of human advancement.

Our children embody our aspirations and ambitions. Through education, we empower them to discover and nurture their inherent abilities and hidden talents. In our unwavering dedication to achieving excellence, we place a premium on the quality of education provided in our school.

We prioritize academic excellence, motivating students to become independent and innovative thinkers, self-assured and enlightened learners, and responsible members of society. We offer our children opportunities and avenues to harness their potential and talents, all while instilling in them the values of being good human beings.

Our commitment lies in delivering the finest education to our children to help them confront the future challenges. Guided by our motto, "*imparare, Impregnare & Interagire*". We offer exceptional infrastructure and amenities to create a conducive environment for learning.

Welcome to NEW HORIZON GROUP OF SCHOOLS!!!

“An investment
in knowledge
pays the best
interest.”

New Horizon Group of Institutions is a cluster of premier schools and colleges in Navi Mumbai and Thane region run under the aegis of Nagar Yuwak Shikshan Sanstha, Airoli and New Horizon Education Society, Navi Mumbai. The Group is imparting world class education from Pre-Primary to Post Graduation level catering to approximately 30,000 students. The dedicated and experienced team of educators bring diverse talent and zeal into every classroom. Today we are humbled to have six schools affiliated to CBSE and one school affiliated to ICSE. We are running two Engineering Colleges affiliated to Mumbai University, approved by AICTE, providing various options at UG and PG level. We also have one College of Commerce and Management Studies affiliated to Mumbai University providing various Courses like BAF, M.Com, BMS at UG and PG level.

We recognize the importance of meeting the unique learning needs of every child by providing a safe, supportive and respectful environment. Our team comprises of dedicated staff, counsellors and non teaching staff who provide appropriate support enabling students to excel in studies & create a stress free and a joyful learning environment.

Message from the PRINCIPAL

Ms. Namrata Mehta
Principal

At New Horizon International School, we believe that education goes far beyond textbooks and examinations. Our purpose is to nurture not only intellectual growth but also the socio-emotional well-being of every child. We are committed to creating a safe, inclusive, and supportive environment where students learn to understand themselves, respect others, and build meaningful relationships. We aspire to raise progressive thinkers who are confident, compassionate, and resilient - ready to embrace the opportunities and challenges of a dynamically changing world. With a future-focused curriculum and a culture of curiosity, collaboration, and creativity, New Horizon International School ensures that every child is not only prepared for success but also equipped to make a positive impact on society.

Together, let us continue this journey of empowering young minds for a brighter tomorrow.

OUR VISION

To be a beacon of educational excellence, where every learner's potential is ignited and nurtured. Our vision is to create an educational center par excellence imparting learning, and to train students to become autonomous learners. We aspire to become a laudable institution that develops essential life skills, future ready and successful happy citizens grounded in human values.

OUR MISSION

Our mission is to foster academic excellence and nurture the holistic development of every student. We are committed to offering a top-tier educational foundation, utilizing contemporary pedagogical methods, fostering creativity, instilling enduring values, and celebrating diversity. Our goal is to empower our students to evolve into forward-thinking individuals, equipped with lifelong skills to thrive in an ever-evolving world.

CORE VALUES

- 1. IMPARTING QUALITY EDUCATION:** To provide excellent education that allows students to recognize their dreams and empowering them with skills required in today's world.
- 2. STUDENT CENTRIC APPROACH:** We believe & take cognizance of the new curriculum model as per NEP and pedagogical practices that equips students with 21st century skills.
- 3. EMPATHY, COMPASSION, RESPECT AND UNBIASED APPROACH TO ALL:** We strive to create an environment of respect & inclusion irrespective of caste creed, culture and gender. We inculcate value of compassion and empathy towards humanity and environment.
- 4. INTEGRITY:** Promoting honesty, trust, and ethical behavior among students, staff and school community.

OBJECTIVES

1. To Lay the Foundation for a Progressive and Promising Future for Students

Our goal is to create a safe and supportive learning environment that fosters opportunities for all students to reach their highest potential. We aim not only to enhance their knowledge but also to equip them with the skills and understanding necessary to thrive in the 21st century.

2. Holistic Development

We strive to cultivate, motivate, and encourage students to actively participate in co-scholastic activities, fostering growth beyond academics and promoting overall development.

3. Make Learning Need-Based, Skill-Based, and Value-Based

We provide a holistic education aligned with NEP guidelines, integrating skill-based vocational training into the curriculum to enhance learning, meet individual needs, and instill strong values in students.

4. Values

We are committed to instilling essential values such as integrity, discipline, obedience, humility, punctuality, and dedication in our students, shaping them into responsible and ethical individuals.

5. Parent and Community Engagement

We encourage active participation and involvement of parents and the community to support students' learning and overall well-being, fostering a collaborative environment for their growth and success.

STATE-OF-THE-ART INFRASTRUCTURE

New Horizon Group of Schools can boast about their magnificent infrastructure, comparable to the international standards. All schools are equipped with playgrounds. We provide spacious classrooms with unmatched brilliance, aesthetics, ergonomically comfortable and equipped with modern amenities like SMART boards, laboratories to explore and learn through hands-on experience.

FROM CRADLE TO CAREER

New Horizon Group of Institutions promises to take care of students from Pre-primary to College education.

To realise this belief New Horizon Group marched forward to build 2 Engineering Colleges which are AICTE approved, and a Commerce and Management College providing various verticals to students to chisel careers of their choice.

HOLISTIC GROWTH

New Horizon Group of Schools focus on learning beyond academics. To develop a holistic personality of our students we have introduced a number of co-scholastic activities like sports, music, dance, yoga etc.

GURU AND MENTOR

Our faculty team comprises of dynamic, passionate and well experienced teachers & inspired leaders working tirelessly towards creating future leaders and thinkers who would make a difference in tomorrow's world with upholding our cultural traditions.

JOYFUL LEARNING

Learning happens when there is joy and freedom. We enhance learning by incorporating a range of activities through nurturing imagination, playful problem solving, story telling, creativity and cultivating mindfulness.

**What
makes us
different**

Curriculum

@NEW HORIZON GROUP OF SCHOOLS

Foundational Years

The Foundational Stage (ages 3-8) is designed to nurture young learners through play-based and activity-based learning. The primary objective is to develop cognitive, affective, and psychomotor abilities in children through various teaching learning activities. Core to this approach is building foundational literacy and numeracy skills, setting a strong base for future learning. Through a blend of fun and learning, we aim to create a stimulating environment that supports overall growth and development.

Preparatory Years

The Preparatory Stage (ages 8-11) focuses on discovery-based, interactive learning. The objective during this stage is to build foundational skills while gradually introducing more formal classroom learning. Key features include experiential learning, where students actively engage with concepts, and the use of textbooks to ensure a balanced approach. This stage also emphasizes the development of critical thinking, encouraging students to explore ideas, ask questions, and think independently, laying the groundwork for more advanced learning in the future.

Middle School Years

In the Middle Stage (ages 11-14), the focus shifts to subject-oriented learning, designed to deepen student's understanding of core subjects. The objective is to encourage abstract thinking and promote a more profound grasp of various disciplines. This stage introduces students to coding and vocational education, allowing them to explore practical skills alongside academic learning. Experiential learning continues to be a key feature, enabling students to apply their knowledge through hands-on activities in subjects like science, mathematics, arts, and social sciences.

Secondary Years

The Secondary Stage (ages 14-18) emphasizes a multidisciplinary study approach, fostering critical thinking and problem-solving skills. The objective is to prepare students for higher education and future employment by offering them a broad academic foundation. Key features include flexibility in subject choices, allowing students to tailor their education to their interests and career aspirations. Project-based learning is central to this stage, enabling students to engage deeply with topics and develop practical skills that are essential for real-world success.

FOUNDATIONAL STAGE CURRICULUM

Formative Years

Wings of Wonder is an Early Childhood Care and Education (ECCE) curriculum that offers opportunities for holistic learning and growth

Based on the National Curriculum Framework (NCF 2022) for the Foundational Stage, this series addresses children's developmental needs providing a more enabling learning environment through structured play.

Willingness to Learn

Intuition and Imagination

Nurturing Tendency

Generosity

Sociability and Spontaneity

The curriculum has the spiral approach of learning where concepts are introduced at a simplified level first and then revisited at progressively complex levels.

NEW HORIZON GROUP OF SCHOOLS FOSTERING A SAFE HAVEN FOR CHILDREN

Special Education Cell

COUNSELING

New Horizon Group of Schools are deeply committed to offering exceptional educational opportunities for students with special needs. To fulfill this mission, we have established a specialized Special Education Cell in our schools. The screening of students with SEN is done at an early stage so that the school can support them from the beginning stages. Our dedicated Counselors work to form a comprehensive support system for students with Special Education Needs (SEN). The primary goal of the Special Education Cell is to assess, identify, and provide individualized support tailored to each student's unique needs. Our counselors develop customized strategies to help SEN students overcome challenges and excel both academically and personally. At New Horizon Schools, we believe that every student deserves the opportunity to succeed, and we are committed to making this a reality for all.

Robotics Lab

At our Innovation Lab, students step into a world where ideas take flight—literally! From coding intelligent programs to designing futuristic models, building rocket prototypes, exploring aerodynamics, and participating in the Atal Tinkering Marathon, every activity fuels curiosity and creativity.

Equipped with **3D printers, drones, electric vehicle prototypes, and aeromodelling tools**, the lab gives learners direct access to technologies shaping the industries of tomorrow. An **AI-integrated STEAM** curriculum further ensures that learning is immersive, interdisciplinary, and industry-relevant.

Here, technology becomes a tool to **explore, experiment, and excel**, while values are woven seamlessly into the learning process. **Perseverance** in debugging codes, teamwork in projects, **patience** in prototyping, and responsibility in designing for the greater good—each experience **builds both skill and character**.

Our lab isn't just about science and machines—it's about nurturing **innovators with integrity, dreamers with discipline, and problem-solvers with purpose**.

Every session **ignites passion, shapes resilience**, and prepares students to be **pioneers of the future** in a world driven by innovation and values.

The infographic features a central white circle with the text 'Beyond Academics'. Surrounding this circle are seven colorful, multi-sided shapes, each representing a different category of extracurricular activity. The background is a faded image of a large group of students in a school hall, with some students in the foreground wearing traditional Indian attire. The overall design is vibrant and organized, using a variety of colors to distinguish between the different activity categories.

Enriching Education With **COMPREHENSIVE FACILITIES**

At New Horizon Schools, we are committed to providing students with an enriching learning experiences that extends beyond the classroom. We understand the importance of a well-rounded education, hence we have invested in a range of facilities that cater to the diverse needs and interests of our students.

Infirmary

The health and well-being of our students are paramount. Our infirmaries are staffed with qualified nurses who are readily available to provide care and support to students in case of illness or injury. Medical camps are conducted annually.

Labs

Our state-of-the-art fully equipped laboratories have latest technology and equipment to support hands-on learning in subjects such as Physics, Chemistry, Biology. Here, students have the opportunity to conduct experiments, explore, and apply their theoretical knowledge.

PHYSICS

CHEMISTRY

BIOLOGY

Computer Lab

Enriching Education With **COMPREHENSIVE FACILITIES**

Playground

Our spacious playgrounds are vibrant hubs of activity where students engage in physical fitness, sports, and recreational games. It's a place where they learn teamwork, stay active, and build lasting friendships.

Libraries

Our libraries are treasure troves of knowledge, providing a quiet and inviting space for students to read, research, and expand their horizons. We offer a vast collection of books, magazines, and digital resources to foster a love for reading and learning.

Enriching Education With **COMPREHENSIVE FACILITIES**

DAYCARE

"A boon for working parents. A home away from home for your precious little ones".

Rodas Daycare offers a safe, loving, secure and stimulating environment for children aged 2 years to 10 years. It provides full-day and half-day daycare services.

Apart from the structured daily routine, children are encouraged to participate in various age-appropriate activities that focus on holistic development. Learning is a dynamic process which occurs throughout the day; thus, the child needs to be engaged in meaningful, playful and joyful learning experiences.

With our well-designed spaces, the child can explore and grow under the care of experienced daycare coordinators. The daycare is well ventilated, has AC, indoor play area and huge outdoor play area and a dedicated nap room with a skilled in-house nurses.

Parents are provided with updates, their child's photographs and activities.

While we take care of your child's well-being, you can pursue your career and personal goals with a peaceful and a stress-free mind.

CO-SCHOLASTIC ACTIVITIES

We understand the importance of nurturing students' creativity and talents. That's why we have special rooms dedicated to various activities, such as music, art, and more. These spaces provide students with opportunities to explore their passions and develop their skills.

SPECIAL ACTIVITES

Our Special Activities program is a highlight of the school year, bringing together students, teachers, and community members to celebrate innovative thinking and imagination.

Transportation Services

New Horizon Schools offers a highly efficient transportation service to accommodate students across all shifts. The school possesses its own fleet of buses, ensuring convenient routes for the transportation of children. The school also conducts regular training sessions for drivers, conductors, and female caretakers to promote awareness and sensitivity.

The school's transportation team is not only experienced but also caring, with a strong foundation in training. Buses are assigned to various routes across Navi Mumbai, Thane, Mulund area, all managed by a skilled team of drivers and dedicated supervisors. These buses are equipped with cameras for added security. Air-conditioned buses are also available in some schools.

The transportation department comprises thoroughly vetted staff members and is headed by an administrative leader. Ongoing training is a priority to ensure the smooth operation of the service. To maintain high standards, buses undergo rigorous cleaning and maintenance procedures on regular basis. Additionally, contingency plans are in place, including spare staff and backup buses in case of breakdowns.

*Why choose
our school bus service?*

- ✓ Experienced staff
- ✓ Well maintained buses
- ✓ CCTV Protection
- ✓ All AC bus fleet

Parent Testimonials

"We took new admission in New Horizon International School-Rodas this year. As a parents we are happy with school. They not only focus on academics but holistic development of their students by conducting various activities and events periodically. Our daughter likes her new school."

Parent of Ananya Nair

"I'm writing to express deep gratitude for NHISR's exceptional learning environment for my seventh-grade daughter. The school excels in education, personal growth, and character development. The devoted teaching staff uses innovative methods, cares for students' progress, and fosters inclusivity. Technology integration enriches learning, and extracurricular activities are enriching. The school's communication with parents is excellent, creating a strong partnership. NHISR nurtures critical thinking, empathy, and a love for learning. Thank you for your exceptional dedication to education."

Parent of Prisha Mhatre

"Studies are become a rat race today, and we as parents wanted to choose a school that focused on strengthening the foundations of our kids rather than just blindly forcing our little precious ones to participate in the mad race. We are glad to have found NHIS Rodas that has a holistic approach to education, providing enough attention to fundamentals in core subjects, activities to learn social skills, sports and other cocurricular activities helping shape them into more complete and confident individuals."

Parent of Vania Arya

"I am thrilled to see NHISR's holistic approach to preparing students for the future. They actively motivate and encourage students to engage in extracurricular activities and sports. As a result, my daughter's academic and athletic performance has significantly improved. The school boasts excellent infrastructure, knowledgeable and supportive teachers, and efficient management."
